

PREPARATION FOR ABSTRACT SUBMISSION

Please ensure that your submitted abstract is written following the guidelines listed below. Any abstract violating the rules of the guideline will be rejected.

Abstract Format

The body of the abstract will be structured as follows with the following subtitles:

1. Introduction
2. Methods
3. Results
4. Discussion
5. Acknowledgements (if applicable)
6. References

Submission Guidelines

- The abstract must be written in English and submitted through the Congress online submission system only. Submission by e-mail, fax or courier service will not be accepted
- The number of words in the title must not exceed 50 words. Abbreviations should be avoided unless absolutely necessary
- The total number of the words in the body of the abstract must not exceed 500 words, including references
- Do not include the names of the authors in the title or body of your abstract – these are entered online during the submission process
- A plagiarism check will be performed on all submitted abstracts. Abstracts failed the checks will be rejected
- After the submission deadline, no further changes will be permitted. Authors are strongly suggested to ensure the accuracy of the submitted abstract before **15 December 2021, Midnight GMT+8**. Any mistake in literature or in data will be published as-is
- The Congress reserves the right to accept or refuse an abstract, to designate abstract either oral or poster presentation, and to choose a suitable session for the abstract. The authors' preference or the type of presentation and theme will be taken into account
- If an abstract is to be withdrawn, a written statement reflecting the reasons for this decision must be sent to ✉ info@wcb2022.com **no later than 1 April 2022**.

Figures and Tables

- In the Results section, numerical data must be provided if a figure or table is not accompanied with the abstract. Plain writing without numerical data reported is not considered a qualified abstract.
- One figure or table may be included and is uploaded as a separate image file
- The image must be in JPG/PNG/TIF with a minimum resolution of 150 PPI. Image file size must not exceed 1 MB

Track Categories

- Authors also need to select at least 1 session suitable for the abstract (maximum 3). The session is a topic category which authors consider as the best fit for his/her study.
- Invited speakers select only **ONE** session, which is the session he/she is invited to.
- The extended track selection is to assist with structuring the final program. Please read the detailed Session listing of the Track during the submission process.

Participation Format

- The intended **Participation Format (in-person or online)** will be used for the planning and organization of the Scientific Program and may be updated any time before the submission deadline (**November 15, 2021**)
- All presenting authors are required to finalize their participation format at the time of Registration by **April 1, 2022**.
- Changes to participation format after **April 1, 2022** will be subject to an administration fee.
